Copy of letter No.311/T dated 18th September 1919 from the Agent, Madras and Southern Mahratta Railway Co., Ltd., Rayapuram to the Director of Civil Supplies in Mysore, Bangalore.

With reference to your letter No.3315/1 dated the 13th/15th August 1919 and in continuation of this office No.311/T dated the 13th September 1919, I have the honour to inform you that under instructions from the Mysore Government, orders are in force prohibiting the export of horse gram from the Mysore State without a certificate from you. This order was duly notified to the District Traffic Superintendents concerned. Subsequent to this, instructions were received from the Commissioner of Customs, Salt and Excise, Bombay, permitting the export of food grains to Bombay and other British Ports via Mormugao without a certificate This order was also notified to the District Traffic Superintendents concerned, but in the circular issued by the District Traffic Superintendent, Dharwar, to Station Masters on his District, he unfortunately omitted to advise them that this concession did not apply to Stations situated in the Mysore State. The Station Master, Banavar, explains that he booked the consignment in question to Bombay on the authority of this order, and in view of the incomplete wording of the District Circular, the Station Master is entitled to thebenefit of the doubt, and I consider legal proceedings should not be instituted against him.

2. The Station Master has however been transferred from Banavar on account of this case and is also under reduction in pay by Rs.5/- per mensem in another case.
